

**Our pioneering spirit has
a long tradition.**

Joachim Gebauer,
Group Manager CRM

Exciting challenges await on the path to realizing our vision. We are therefore seeking

Senior Manager Regulatory Affairs, APAC

Root

Your tasks

- > Elaborating international regulatory strategies
- > Preparing technical documentation and registration dossiers with focus on Asian countries (e.g. Japan, China)
- > Leading complex registration projects, in collaboration with internal departments
- > Regulatory evaluation of product changes and interpretation of regulation changes with internal training
- > Supporting and preparing for audits conducted by notified bodies and regulatory authorities
- > Direct communication with partners, authorities, and agencies globally

Your qualifications

- > Higher education (university or university of applied sciences), preferably in natural sciences
- > A minimum of five years professional experience in Regulatory Affairs for medical devices
- > Applied working experience with Asian markets (Japan or China) and a good understanding of intercultural collaborations
- > Excellent knowledge of English language; advanced understanding of German language
- > Precise and detail-oriented working method
- > Excellent communication skills and a team-oriented personality

Geistlich Pharma is a family-run Swiss company and a longstanding global leader in regenerative dentistry. We have a long tradition of pioneering attitudes that place the focus on employees. These employees are dedicated to the spirit that drives our company to excel: a passion for regeneration. This is the origin of our innovative medical products that reconstruct bones, cartilage and soft tissue. Our motivated team looks forward to working with you in a modern, dynamic environment with international flair.

We look forward to receiving your completed electronic application at: recruiting@geistlich.ch
