Cartilage lesion in the hip – what now?

9–10 Sep 2022

Duesseldorf, DE

Chairpersons:

Wolfram Steens, Recklinghausen, DE (Local Chair)

Rishi Chana, London, UK (Co-chair)

4th International AMIC[®] Hip Meeting

Cartilage lesion in the hip – what now?

Dear Colleagues

We are pleased to announce the 4th International AMIC[®] Hip Meeting in Duesseldorf (DE).

Cartilage lesions of the hip joint are frequently diagnosed and cartilage treatment has become an essential part in arthroscopic hip surgery. Although different cartilage therapies have been established and it is well known that their success greatly depends on the treatment of the causative deformations, questions still remain regarding indications and long-term success. Appropriate surgery is mandatory as cartilage is the weakest link in the chain. During this meeting we want to share and discuss current treatment strategies for hip cartilage therapies aimed at joint preservation. Special attention is paid to treatment options of the underlying pathologies. Experience Re-Live surgeries and receive tips and tricks for the specific surgical techniques shown.

We look forward seeing you in Duesseldorf.

With our best wishes

Assoc. Prof.
Wolfram Steens, MD
Local Chair

Mr Rishi Chana
FRCS (Orth) SEM
Co-chair

Faculty (in alphabetical order):

Joerg Bucher,
MD

General Terms & Conditions

Registrations for this Geistlich Pharma AG meeting are accepted on a first-come, first-served basis and require written registration. A contract with Geistlich Pharma AG becomes legally binding upon confirmation of course registration.

Cancellations can only be accepted in writing and are only permissible as long as they are received by the registration deadline. If cancellation is made after the registration deadline, there will be no refund of the registration fee. There is no right to a refund of already paid fees in case of unexcused non-attendance or withdrawal prior to the end of the event. Registration for the entire event can be transferred free of charge to other sufficiently qualified professional participants up to 5 working days before commencement of the event.

The registration fee is per participant, including accommodation and meals. All fees are exclusive of VAT. An invoice will be issued immediately after your participation confirmation. The course fees are to be paid within 10 days from the date of invoice, but before course commencement. Travel costs are at the participant's expense and insurance is at his discretion.

Geistlich Pharma AG reserves the right to cancel the event up to three weeks before commencement if the anticipated minimum number of participants is not reached or the instructor(s) is/are unavailable and cannot be replaced. In this case, the paid fees will be refunded. Geistlich Pharma AG is entitled to provide an equivalent replacement for the announced faculty without entitling the participant to a free of charge cancellation less than 10 days prior to holding the event. Further claims, in particular for damages, are excluded if an event has to be cancelled. If local governmental or health authority regulations require cancellation of the event at short notice because of the Covid-19 pandemic, Geistlich Pharma AG cannot be held responsible for damages and no fees will be refunded.

The bases of booking are the terms and conditions printed above. Oral arrangement is non-binding unless confirmed in writing by Geistlich Pharma AG. The materials provided as part of training are subject to copyright of Geistlich Pharma AG and are intended for participants. Without the express consent of Geistlich Pharma AG, the participant is not entitled to reproduce the materials and information in any manner whatsoever or use these at other events or make them available to third parties.

Without the express consent of Geistlich Pharma AG, participants are not entitled to make sound, film or video recordings of the course.

Photographs can be taken at the event for Geistlich Pharma AG's own publicity purposes. The participating person agrees that such photos can be taken and used for own publicity purposes.

The participating person explicitly agrees that his/her registration information (name, address, etc.) can be stored and processed for the purpose of business relationship. As part of legal regulations, the participating person is entitled to demand information, authorization and deletion of his/her personal data at any time.

These General Terms & Conditions are an integral part of registration. By registering, the participating person accepts these General Terms & Conditions. The exclusive place of jurisdiction is Zurich, Switzerland. Swiss Law is applicable under exclusion of conflict-related standards.
